

# Definitions starting with B: Bahama coney

[cf. OED cony rabbit, akin to Sp. conejo, now largely obs.; note 1555 quot.: "Connies whiche they caule Vtias"] n., obs. [the hutia](#) (*Geocapromys ingrahami*), a rodent:1731.) The Bahama coney . . . ears feet and tail resemble those of a Rat; in other parts it is somewhat like a Rabbit (Catesby 11:79). .1978 Catesby described and painted the hutia . . . a species thought to be extinct until the mid-1960's which he called the Bahama coney (Campbell 100). cf. [CONEY](#), [RABBIT](#)
